

To Whom It May Concern,

Your school has a player(s) who will be participating in the 2024 Southampton Football Club Player ID Tour. This tour offers players the once in a lifetime opportunity to continue their soccer training at an English Premier League Academy program. Throughout the week, players will have the unique opportunity to further their athletic training, as well as experience cultural activities and create relationships with international youth on a personal and competitive soccer level. We are offering players this written documentation as proof of their attendance at the tour. We thank you for supporting your student-athletes.
