RE: Participation in the 2026 Baltimore Mania Girls Weekend

To Whom It May Concern,

On behalf of Elite Tournaments and the Baltimore Mania Tournament Series, I respectfully request the release of participating student-athletes from your school to compete in the 2026 Baltimore Mania Girls Weekend, taking place March 27–29, 2026.

We recognize the importance of each student's academic responsibilities and make every effort to accommodate the academic calendar whenever possible. However, participation in Baltimore Mania may require some players to miss one school day due to travel and competition commitments.

Baltimore Mania Girls Weekend brings together competitive soccer clubs from across the region for a professionally organized, high-level tournament experience. The event provides student-athletes with meaningful competition that supports their continued athletic development while representing their club and community.

This letter serves as official documentation verifying the student's participation in the Baltimore Mania Tournament Series on the dates listed above.

We thank you for supporting your student-athletes.

Respectfully,

John Steele  
Tournament Director, Elite Tournaments
